

STOOL 33

12" x 13" x 18"

WOOD SPECIES

Stool 33 can be made with one of three available wood species.

Bleached Ash: \$425

Cherry: \$440

Walnut: \$450

LEG COLOR

Stool 33 legs are painted with milk paint*. Most colors are available and you can puruse the options on the real milk paint website.

realmilkpaint.com/paint

If you would like a custom color that is not milk paint, there will be a \$30 charge.

*Milk paint is made with 100% organic ingredients, non-toxic, food-contact safe, VOC free, and is compostable.

These made-to-order stackable stools are perfect for small homes. This versatile form can be used as stool or small side table.

Lead time for custom stool is generally 6-8 weeks.
